MIL'S MUSINGS

By Richard Milbrodt

KEN RISTER, real estater is featured in the current issue of the glossy magazine, SAN DIEGO, in the form of a two page article showing one of Ken's paintings. Ken did a worthy job, and deserved the break.

While we are on the subject of magazines, it might be pertinent to mention that the publisher of the REVIEW, Max Goodwin has been assigned the job of writing an article for a slick paper mag called CALIFORNIA. It is to be completed with 5 pictures yet to be taken about Lemon Grove, of course. One word of warning. Please don't everybody rush down to the newsstand all at once, there should be enough copies to go around.

A tricycle turned up the other evening in Michael's Steak House. Who was it that the tot challenged to "drink under the table"? Whoever it was, was kind enough to take the kid home. Now all he has to do is go back and get the kid's trike. HENRY GOLDY said that it is cheap transportation to work, but

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review:

Your article reporting the closing of the Grove Theatre was certainly well spoken.

Lemon Grove is in the same situation right now as have been any number of small cities adjacent to large cities. It is difficult for residents, and even business men, to get the habit of spending their money right in their own community. It seems that the first thought that occurs to people in a small city is, "Let's go down town and get it," and in Lemon Grove, "down town" means San Diego, 10 miles away, and a lot of parking headaches at the end of the 10 mile drive.

Lemon Grove is rapidly providing all of the essential shopping facilities. The sooner every resident of this area gets the "shop at home" habit, the faster Lemon Grove will grow into a big city, a self sufficient city. As soon as it becomes evident that Lemon Grove has learned the "trade at home" habit, more and more businesses will locate here.

U. E. S. Meeting Will Be Wednesday

San Miguel Chapter 579 O. E. S. will meet in Friendship Hall on Main St., Lemon Grove, on Wednesday, Feb. 25th. This will be the official visit of our Deputy Grand Worthy Matron, Flora Mae Stuart of District No. 97. We hope for a large attendance to greet our efficient and gracious Deputy Grand Matron. A large class of candidates will be initiated and an enjoyable time is promised. Refreshments will be served with Daphne Meadows as refreshment chairman.

Ground Broken For Jr. Hi

A happy group is pictured as the first spadeful of dirt is turned to make way for the new $530,000 Lemon Grove Junior High School.

Shown at the scene of the event are C. F. Von Gunden, contractor for the job; Sam W. Hamill, architect of the project; Mrs. Robert Beckham, president of the Grove Junior High PTA; Thomas W. Karns, architect's field supervisor; Ben Schei, principal of the junior high school and Byron Netzley, superintendent of the Grove School District.

The building will house 600 pupils and schedule calls for the opening in October.

Highland Lads And Lassies

The girls at Helix have a new home into which they moved Jan. 5. Their gym makes other students throughout the state envy them. Perfect planning resulted in a gym that contains more modern conveniences than any other school in California can claim. Each girl has her own locker for her gym clothes plus a separate one for street clothes. The new gym comes equipped with hair dryers and full-lengthed mirrors. A first-class recreation room is the top item in the gym. This is used when the weather is bad or the activity of the day is limited. Dancing is permtted only when socks are worn. Few students are privileged to have a gym so beautifully equipped. Architects can only do so much to make a building attractive. Real beauty of a building comes from the people who take care of it. Disgrace will go to the people who strive to destroy it.

Surprise birthday party for Jud Bowers was held for him by Florence Porter and Roberta Christianson at Roberta's aunt's house, 6615 San Miguel Ave., here in the grove. Jud turned 16. The party was held for him on February 7, on a Saturday nite. Hours 8:00-1:00. The Helix students there were as follows: Flo Porter, Jud Bowers, Roxy Coons, Bill Bloom; Lorelei Shaw, Bob Turnbull, Yvonne French, Ron McGuire, Sandy Anderson, Richard Skrivanek, Bobbie Christianson, Larry Shaw, Phyllis May, Tom McCabe, and Ruth Smith.

Job At Postoffice Waits For You

The United States Civil Service Commission has announced an examination for the positions of Substitute Clerk and Carrier in the Lemon Grove Post Office. The basic rate of pay for substitute sis $1.61½ an hour.

Applicants must actually reside within the delivery zone of the Lemon Grove Post Office, or be bona fide patrons of the office. Persons employed in the Lemon Grove Post Office will be considered bona fide patrons of the office.

No experience is required. Applicants must qualify in the written test.

Further information may be obtained from the Commission's Local Secretary, Mrs. Faucher, at Lemon Grove Post Office. Applications will be accepted until further notice.

Barr - Hathaway Ceremonies At Congregational Church

Miss Marian Lee Barr was married to Mr. Morris La Verne Hathaway in a beautiful ceremony at the Congregational Church of Lemon Grove at 8:00 p. m. Feb. 6th. Rev. Dan Apra officiated.

The bride was gowned in white lace and nylon net over satin; she wore pearls belonging to her paternal grandmother and carried an heirloom lace handkerchiew belonging to Mrs. Ernest Meyer of Temple City. Mrs. Meyer was bridesmaid for the bride's mother at her wedding. The bride's bouquet was white carnations centered with a white orchid.

Miss Sylvia Barr, sister of the bride was maid of honor, Miss Romona Hathaway, sister of the groom, and Miss Peggy Thomas were bridesmaids. The bridesmaids carried carnations to match their gowns. Dean Wayne Deaton served Mr. Hathaway as groomsman; Walter Maxted and Carl Herder were ushers.

Miss Diane Lairsey sang "Because," "I Love You Truly," and "The Lord's Prayer."

Miss Jean Woekel, cousin of the bride, flew down from Visalia for the ceremony.

The young couple plan to reside in Lemon Grove.

The reception was held in Friendship Hall immediately following the ceremony.

Mrs. John Smith of Whittier made camellia corsages for the mothers of the couple and for the organanist and vocalist.

Wally 'Ducks' Out May Be Dinner Guest

Ernie Tellis, 7984 Lester Ave., is only 4½ years old and feeling very bad because he's lost his pet dusk, "Wally".

"Wally" wasn't just an ordinary duck. He'd been hand raised and was extra large and everybody's friend. He defieaed the dog, "Puddles," an loved to ride in the car with the family and behaved like the gentleman he was. All the children going to and from school stopped to play with him and if he wasn't watched would take off after them as he had ideas of a higher education. This A. M. Wally isn't home and little Ernie is broken hearted. Surely no one would put Wally in the roaster for Sunday dinner, anyone could see he was not to be eaten, but he was such a friendly soul he could have followed some one home. If anyone knows the whereabouts of Wally, will they please bring him home to 7984 Lester Ave. or phone H6-0894.

Jack Offered for Return of Jack

A $10 reward is being offered by H. W. Jollett for the return of his service station jack, which was taken Friday night from his automotive firm at 7644 Broadway. Mr. Jollett values the jack at $70.

Switcheroo Pulled By Prominent Businesses

The biggest switch since Christine Jorgensen is about to take place in Lemon Grove.

Plans for interchange of two prominent business addresses were nearing completion this week.

Mode O'Day and the Style Shop, both of which are owned and operated by Helen Gaulden, are going to exchange, even Stephen, each other's business locations.

Mode O'Day will move to 3425 Imperial where the Style Shop is now located| The Style Shop, naturally, will move to 7808 Broadway where Mode O'Day was formerly located.

The two shops join together at the rear forming, in effect, an arcade connecting the two main streets.

Extensive remodeling and refurnishing is being carried on and a gala opening announcement will be made next week.

"We are trying to give Lemon Grove the finest stores possible in the popular price field," Mrs. Gaulden said. "We think shoppers will be happily surprised when the changeover is complete." Larger selection, more attractive fixtures and decor, and increased personnel will be some of the features.

Lake Superior is the largest fresh water lake in the world.

Mrs. Keeton Gets Life PTA Pin

An Honorary Life Membership was presented to Mrs. T. A. Keeton, 2990 Cypress, President of P. T. A. Lemon Grove Unit. The presentation was made by Mrs. Mulky, 2457 McKnight, Founder's Day chairman, at the regular meeting in the Golden Ave. kindergarten room on Feb. 10th.

More Volunteers Sign Up For Bloodmobile Service

Scheduling of blood donors for the February 28 visit of the Red Cross Bloodmobile was one of the items on the agenda when the Lemon Grove School P. T. A. Executive Board met last week at the home of Mrs. Herman Bryant at 3941 Paula Street. The following members of the board volunteered their services to assist with the program: Mmes. C. Planchon, Burton Jones, Edward Kinyon, John Burgreen, Robert Beckham, Harold Randall, and H. C. Hoard Mmes. Virgil Danielson, Robert Brown, and Peg Darroch will handle the scheduling of donors, with the others assisting with reminders the day before the visit.

During the business meeting, Ben Schei, school principal, asked the group to support the card party held on Friday evening, February 13, at the San Miguel School by the Music Parents Club. Mrs. Ruth Pfister, district cafeteria manager, discussed the school lunch program at the intermediate school.

The board decided to support the idea of teaching dancing to the eighth grade students if enough response was received from bulletins sent home to parents this week.

Following the meeting, refreshments were served by the co-hostesses, Mmes. Herman Bryant and J. Burgreen. Others in attendance were Mmes. Roy Milner, L. Upton, W. L. Birch, Loy Holmquist, Evelyn Whalen, John Cornelius, and Messrs. Tom Brogan and Rolland Purves. The next meeting of the board will be at the home of Mrs. Carl Planchon on March 10.

Ronald Mulder Prexy Of Intermed. Council

After a colorful campaign and a big student rally, Ronald Mulder was elected president of the student council at the Intermediate School in Lemon Grove on Tuesday of this week. Other successful candidates placed in officer positions by their fellow students as a result of the balloting were Leah Conlee, vice president; Janet Baxter, secretary; and John Conlee, treasurer.

Ballots were distributed and collected by Gordon Hoard, Commissioner of Elections, and counted by Gordon, Frank Furgeson, first semester president, Fred Sanders, Nancy Gray, and Helen Herzig, council representatives, along with Mrs. Virginia Cornelius, student body advisor.

On Monday at a student body assembly all the student candidates for the various offices were presented. Candidates for president and vice president spoke briefly to the voters when introduced. Frank Furgeson was master of ceremonies for the rally.

Albert Van Zan[illegible]n, seventh grade teacher, led [illegible]e assembly in singing of Star Spangled Banner, Battle Hymn of the Republic, and Onward Christian Soldiers. Judith Leytonen accompanied the singing on the piano. The clarinet quartet from the school music department, with LeRoy Kerl, Elaine Foster, Mary Telles, and Janet Baxter, played two numbers.

Fire Dist. Election Set for April 6

The last day to file for commissioner in the forthcoming Lemon Grove Fire District election is Tuesday, February 24th, it was pointed out last week by Channing Mason, chairman of the district board. The election is April 6th.

Applications and necessary information is available at the fire station on Central Avenue.

Paul Tilton, incumbent, has signified his intention to run again. If there are applicants Tilton will automatically be reinstalled for a three year period and the district will be not be put to the expense of holding an election.

PEARCE MANOR START DELAYED BY COUNTY

Work has stopped on the 85 house subdivision in the Lincoln-Palm and Citronella streets area, it was announced today.

The project, known as Pearce Manor, is being developed by Tremont Construction. Sales are being handled by Jim Pearce for whom the development was named.

Hold up is due to the Planning Commission rejection of a preliminary map. The sudividers took their request to the County Supervisors.

The supervisors returned the quabble to planning with the suggestion that drainage and street alignments be worked out with the departments of Roads, Public Works and Health.

Selective breeding and blue ribbon trials at non-profit fairs mean higher standards of living for all Americans.

Kiwanis-Kiwaniannes In Gay Dinner Party

This is a part of the record crowd that attended the Kiwanis-Kiwaniannes dinner Saturday. More than 50 persons attended the barbecue dinner given in Encanto.

Kiwanis members gave compacts to Kiwaniannes for their incredible success in helping to reach the March of Dimes target.

Rev. Bartlett Elevated to Priesthood

The Rev. John Phillip Bartlett, deacon in charge of St. Philip the Apostle Episcopal misison, Lemon Grove, and former layreader at All Saints', San Diego, will be elevated to the priesthood by the Rt. Rev. Francis Eric Bloy, bishop of the Diocese of Los Angeles, in the Service of Ordination at 10 a .m. Monday, Feb. 23, at All Saints', San Diego, the church from which he went into the ministry.

A dealer in farm machinery for over twelve years, Mr. Bartlett was a well known figure in the San Diego business world before studying for the priesthood. He was also active in the parish work of All Saints', serving as vestryman for several years. His wife and two young sons were equally active church workers.

When he left the business world for the vocation of the ministry, Mr. Bartlett enrolled in Church Divinity School of the Pacific, Berkeley, as a seminarian. He was ordained to the diaconate in June 1952, following his graduation from C.D.S.P. Since that date he has been in charge of St. Philip's mission, Lemon Grove.

VROMAN DORMAN RESIGNS SCHOOL BOARD

Resignation of Vroman Dorman from the Lemon Grove School Board has been handed in, it is reported.

It is believed that a successor will be named at the March board meeting.

Dorman is presently involved in government action regarding G I building irregularities.

Palm Street Sewer In 60 Day Snag

The Palm Street sewer project, a $70,000.00 approximately 2¼ mile sewerage improvement, scheduled to get under way earlier this month has run into a 60 or more day delay.

Defections in the boundaries of the sewer assesment district have been found and the contractor, V. R. Dennis, through his attorney, Donald A. Stewart, of San Diego, has petitioned to determine the validity of the proceedings.

The contract was let for sewering the area designated as number 7 in Lemon Grove but when defects were discerned attorney Stewart filed the petition. Some of the streets involved are Palm, Washington, Golden, Lincoln, Adams, Dennis Lane, Jefferson, Citronella Mt. Vernon and Imperial.

It will be necessary to advertise the summons, running currently in the REVIEW, three times after which a ten day delay is mandatory. During this time any interested parties may intervene.

A trial, set for Superior Court No. 2, has been given a top priority.

"This priority indicates and immediate hearing," Stewart pointed out. "There should be little delay once the waiting period is over."

If all goes well the Palm Street sewer improvement will get under way in mid-April.

Irrigation District Stocks, Closes, Murray Lake

Rube Levy, Chairman of the Board of the La Mesa, Lemon Grove and Spring Valley Irrigation District said that 100 small mouth bass weighing 2 pounds or more have been placed in Murray Lake. This was the result of survey made by the California State Fish and Game Commission. The fish will spawn after the water reaches 67 degrees, usually by the 1st of May. This is the first part of a program to re-stock the Lake and provide better recreational fishing in Murray. The Board closed the Lake until May 1st.

Divine Mind Heals Says Christian Science Sermon

"Great is our Lord, and of great power: his understanding is infinite." This declaration of the Psalmist (147:5) is the Golden Text of the Sunday Lesson-Sermon on "Mind" in all Christian Science churches.

A Scriptural selection from The Acts (3:3,6-8) illustrates how the law of God, Mind, gives man dominion over physical inharmony. A man lame from birth "seeing Peter and John about to go into the temple asked an alms . . . Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. And he . . . entered with him into the temple, walking, and leaping, and praising God."

A total of 88 species of Arctic sea worms, close relatives of ordinary earthworms and of the strikingly luminescent "moon worms" of West Indian waters, have been identified at the U. S. National Museum.

AN AUTOMATIC Gas Clothes Dryer...

WILL MAKE YOUR HOME HAPPIER
BECAUSE IT SAVES WORK AND BACKACHES!

Why put up with old fashioned clothes-drying drudgery? Install an automatic Gas Clothes Dryer,—eliminate forever lugging heavy clothes baskets and the tedious task of hanging up and taking down the family laundry!

You toss rinsed laundry into the automatic Gas Clothes Dryer as easily as tossing it into a hamper. Then, set the control for bone-dry or slightly damp (perfect for ironing). In a matter of minutes, your clothes are ready, sunny fresh and fragrant, without lifting a finger or taking a step. GAS dries clothes faster than Southern California sunshine.

So, if you want to dry the family wash automatically, in mere minutes, any time of the day or night,—if you want to save work, backache and clothes drying drudgery,—install an automatic Gas Clothes Dryer. *See a demonstration at your dealer's today!*

A new blue ribbon as been awarded California for its already bountifully filled trophy room. The Census Bureau has announced that the Golden State has the most owner-occupied homes in the Nation.

With 3,333,406 dwelling units in the State, the Census Bureau reports that 54.3 per cent are occupied by owners. Some other States, the Bureau reports, have a higher percentage of owner-occupied homes, but none a higher total. In that fact, there is a challenge.

The challenge is that despite the huge subdivision developments and tremendous construction of individual homes, the Census Bureau figures would indicate a vast market of potential homeowners still exists. Certainly with 45.7 per cent of the population not living in their own homes, the real estate and building industry, if past performance can be used as a criterion, will see to it that more owner-occupied homes soon appear on the horizon—and meet the challenge!

Monterey Heights School News

At the last meeting of the student council at Monterey Heights School they voted to buy a bird of paradise plant to add to the landscaping now in progress at the school. The "bird" was planted in a special place on the grounds where all the students can watch it unfold. Already the orange spikes are beginning to show. This news was submitted by Joan Fraser, reporter from Mrs. Stocking's fifth grade class.

Vista La Mesa School News

Mrs. Schwalm's fifth graders presented a special program in honor of Abraham Lincoln last week. Those students who participated in the school program at Vista La Mesa were Georgann Anderson, Janice Tinsman, Donna Lee Spenser, Jean Robertson, Albert Fredman, Barry Kenworthy, Laverne Laughlin, Judy Huckstep, and Toby Purczynski. Girls physical education classes danced the Virginia Reel as part of the observance.

Small talk usually comes in large quantities.

San Miguel School News

Lincoln's birthday was observed in all classrooms at San Miguel last week by special programs and discussions. Films and pictures also were used in observing the event.

Elections have been held by the student body for student council representatives. The following students were elected to serve from their respective rooms: Duane Bennett and Ralph Brown, Mr. Stammerjohn's class; James McFeeley and Wilma Ortiz, Mr. Strawn's class; Curtis Fitzgerald and Robert Sileneck, Mr. Garstang's class; Dena Anderson and Myron Grossard, Mrs. Jensen's class; Wade Watson and Judy Platt, Mrs. Richie's class. The first meeting of the council was held on Monday of this week with Steven Tamila, president, in charge.

Report cards were sent out on Friday of last week. Reports generally indicated that the San Miguel pupils are making splendid progress in their school work.

Mrs. John Blaine is the new cafeteria manager at the school, replacing Mrs. Jessica Cooper who is ill.

At the flag raising ceremony on Monday morning, Loncie Tucker from Mrs. Richie's third grade class led the student body in the salute.

The fourth and fifth graders in Mr. Strawn's class visited the Museum of Man in Balboa Park last Wednesday. The students felt that the visit made a valuable contribution to their study of California Indians and that it furthered their understanding of animals. They showed interest in the huge contour relief map of Southern California. After visiting the museum, the pupils ate lunch in the park. Upon their return to school each pupil wrote a letter of thanks to the museum and mailed it himself. Many indicated a desire to return at some future date. Accompanying the class were Mrs. Dumas, Mrs. Banister, and Mr. Strawn.

Intermed. School Valentine Party Has Clever Decor

Over one hundred students from the Lemon Grove Intermediate School enjoyed a Valentine Day Dance held in their honor by the student council on last Friday evening, from 7:30 to 9:30 at the Lemon Grove Women's Clubhouse on Main Street. All members of the Green and Gold Citizenship Clubs for two quarters were eligible to attend.

The hall was attractively decorated with huge hearts, cupids, & clever old fashioned portraits. Near the stage was a background of hearts and flowers with pink net. All decorations and other arrangements were under the direction of Mrs. Virginia Cornelius, student body advisor.

Music for the dancing was furnished by records played by Harry Butler, eighth grade teacher. Refreshments were served to the group, with student council members taking turns manning the coke booth. Miss Donna Dreyer, girls P. E. teachers, called several square dances during the evening.

At 8:30, during a brief intermission, a program was presented by members of the citizenship clubs. Gordon Hood played a solo, "St. Louis Blues," on the clarinet; Judith Latonen entertained with a piano solo; and Jeanne Jackson presented three excellent accordion numbers.

Parents and teachers who helped chaperon the dance included Mr. and Mrs. Burgreen, Mr. and Mrs. Ray Jackson, Mr. and Mrs. Robert Rich, Mr. and Mrs. Jack Lemmer, Mr. and Mrs. B. I. Schei, Mrs Rosenne Dewey, Fred Nixon, of the fire department, William Lemke, Luther Reames, Mrs. W. Burke, Virginia Cornelius, Peg Darroch, Tom Brogan, Harry Butler, and Donna Dreyer.

Screening of 7000 entries has just been conducted under the direction of Miss Anderson and Miss Miller, who is manager of the exhibit for Bullock's.

Rev. Apra, Wife In Berkeley Crash

Rev. Dan Apra, Lemon Grove's Congregational minister and his wife Virginia returned last Friday from a five day trip to Berkeley and on the trip home were hit by a speeding car from behind while they were stopped at a stop light. Their car was sent flying across the intersection but the Apras were not hurt, however it sent the two in the other car to the hospital with head injuries. The damage to the two cars was considerable but even so, the Apras were able to drive on home.

Test Series Completed By Intermediate Group

Last week a series of tests were administered to the five eighth grade classes at the Lemon Grove Intermediate School. The program was under the direction of Helix High School, with J. T. Warburton, Wilmer H. Brobst, Ross H. Wallace, and Mrs. Clara W. Brown conducting the two day series of tests.

Included in the program were a general reading test, an algebra apptitude test, and a mental maturity test.

After these tests have been scored at the high school, the results will be studied by counselors, and then parent conferences will be held at the intermediate school. These will be scheduled later in the spring and parents will be notified in advance of the conferences. Through such conferences the high school hopes to set up individual programs for the students, based upon their achievements and abilities as shown in the test results.

Court St. Teresa Group Has Meeting

The February meeting of Court St. Teresa of Avila, No. 1580, Catholic Daughters of America, was held in the Auditorium of St. John of the Cross Church; Mrs. Eleanor McCormick, Grand Regent, presiding.

Final plans were made for the Poster Contest to be held in conjunction with the Book Fair, in the Church Auditorium, Feb. 14th and 15th. The Contest sponsored by the Court, to be open to the pupils of all grades of St. John of the Cross School and divided into three divisions. Mrs. Lola Matthews is chairman.

Arrangements were made for a group to attend the Installation of Officers of the new Court in El Cajon.

Following the business meeting, refreshments were served by Mrs. Lucy Rosiak and Mrs. Arlie Osterberg.

Mrs. Osterberg Has CDA Party

Mrs. Arlie Osterberg entertained the members and prospective members of Court St. Teresa of Avila, Catholic Daughters of America, at a Valentine party at her home, 7621 Circle Drive, Lemon Grove, Tuesday evening, Feb. 10th. The evening was spent in playing bingo, after which refreshments in keeping with Valentine's Day were served. Mrs. Lola Matthews and Mrs. Helen Volshazy were cohostesses, and assisted Mrs. Osterberg in gaily decorating her home.

Guets in addition to the members present, were Mesdames Helen Skarritt, Margaret Bye, Bernice Haeder, Connie Koenkamp, Mary McGee, and Harriett Baumgarten.

Founder's Day Luncheon Well Attended

The annual Founders' Day Luncheon at the House of Hospitality, Balboa Park, was well attended by representatives from the Lemon Grove School P. T. A. Ben I. Schei, school principal, Mrs. W. L. Birch, Founders' Day chairman, Mrs. Roy Milner, honorary life membership chairman, and Mrs. Edward Kinyon, hospitality chairmen, all enjoyed the delicious luncheon and program presented by the Ninth District. Others from the school district who attended were the all school principals and their wives and the district superintendent, Byron Netzley, with Mrs. Netzley.

Grove Man Presides At L. A. Panel

SAN DIEGO — George D. Cromer, 8510 Troy St., research engineer at Solar Aircraft Company, presided at a panel session during the annual meeting of the American Institute of Mining and Metallurgical Engineers at Hotel Statler, Los Angeles, Feb. 16-19.

Cromer was chairman of a symposium on Thursday, Feb. 19, on the structural use of powder metallurgical parts.

Twelve New Teachers Needed This Fall

With the expanding building program and the steadily increasing enrollment in the Lemon Grove School District, approximately ten to twelve new teachers will be needed for the fall school term, according to S. K. Solleder, assistant superintendent of schools.

Interviews are now being held by Mr. Solleder with applicants from San Diego and surrounding counties. There is a possibility that the district may have to seek teachers in the Los Angeles area and elsewhere because of the acute shortage of certificated educators in the state.

Locally, San Diego State College graduates cannot begin to fill the large number of positions needed to be filled by September. Because of demands by the city schools and surrounding districts in the county, teachers in the elementary field will be difficult to find. The shortage is being to be felt also at the secondary level.

More than 16,500,000 westerner attended state, county and district fairs last year.

More than 70 per cent of ou farm homes have radios.

Wa-di-Ta-ka Hosts Ta-wanka and O-Ki-Hi

"Down to Earth," is the Camp Fire Girls birthday project for 1953. This project is basically a study of dependence upon the earth and its products. A conservation program to show the girls the importance of natural resources to the democratic way of life is planned.

—o—

The Wa-di-Ta-ka Camp Fire group, under the leadership of Juanita Close, invited the Tawanka and O-Ki-Hi groups to a nature hike on Lincoln's Birthday. Forty girls came. They met at the home of Ruth Ann Dilley on McArthur Drive. They seated in a circle out in the field they talked of "where it came from, their food, their clothing, materials in the home etc." Experiments to show where our rain goes and how each of us can help in conservation and how conservation is "every man's job" were carried out. After this came the two mile nature hike to look for wild flowers, birds and bugs with magnifying glasses.

At noon the girls had their sack lunches followed by a treasure hunt with the girls divided in two teams. Near the house on the eighth clue they found a large tin of candy hid in the shrubs.

—o—

The O-Da-Ka Camp Fire girls under the leadership of Barbara Bates and Flossine Hemmer and assisted by several mothers enjoyed a holiday outing at Balboa Park. The Museums were visited and the girls ate lunch at Pepper Grove.

MIL'S MUSINGS

he couldn't fit on it, so the trike is still there.

BOB Rundell is our candidate this week for a pat-on-the-back. Bob, as you should know, has just been elected to the Board of Directors of the Lemon Grove, Spring Valley, La Mesa, El Cajon, and points east Irrigation District. Bob informed us the other day that he intends to see to it that the actions of the Board of Directors reach the citizens that are effected. This establishes a precedent for this governmental agency that should have been set long before. The method that Rundell intends to use will be, naturally, the local papers in each of the various communities. This is indeed a healthy sign. Not just for the newspapers, but for government in general since it reflects the trend of government agencies to be less secretive in their activities, and more public as they properly should be.

It looks like the people that prepare nominations for the annual Academy Awards have overlooked some definite favorites. They are, "Callaway Went Thataway," and the "Redball Express." These films have been on the markee of the Grove theatre for 4 weeks. If the shows are that good. Hollywood should know. Isn't it awful to pick on a business when it's down?

And, speaking of motion pictures, we wonder if anybody else besides ourselves remembers the time, about 4 years ago, when the ROLLER DERBY came to San Diego. Prime attraction at the shindig was the production of a movie in which MICKEY ROONEY was to star. An extra long intermission was consumed by a host of camera men and engineers filming some sequences featuring Rooney, Roller Derby Hero. We are still waiting for the movie to come to town that was filmed at the Derby. Was it all just a gag to draw a crowd? Or did the picture simply bypass San Diego when it made the rounds of theatres?

Mrs. Cornelius Takes Pupils to Balboa Park

The 8-5 art class at the Lemon Grove Intermediate School, with Mrs. Virginia Cornelius, teacher, visited the Fine Arts Gallery in Balboa Park, San Diego, last week. The class was given a guided tour of the gallery under Mrs. Fletcher and following the tour they all played a game. The Old Masters Paintings. First place was won by Kenneth Lee, second by Joann Cartabruno, and third by Kay Nevis.

The supervisors at the gallery all complimented Mrs. Cornelius on the excellent conduct of her group and on the great amount of interest shown.

The class traveled to the park by school bus. Mrs. Carl Planchon accompanied the group along with the teacher.

Grossmont District In Active Meet

At a regular meeting earlier this month, the G. U. H. S. District Board of Trustees approved a summer school program from June 22 to Aug. 7 at Helix.

—o—

Action was deferred on selection of an architect for future building program, pending tour of buildings planned recently by various architectural firms under consideration.

—o—

Authorization was given to advertise for 3 school busses needed to replace equipment dating back to 1934 and to provide for increased enrollment of 550 next September.

—o—

The board approved negotiations for acquisition of 6.2 acres on the Normal Avenue site at Helix to allow for straightening of Normal Avenue. Five acres of additional parking facilities will be provided.

—o—

The board denied request of a group of students the use of classroom for religious meetings after school because it was in violation of the basic policy of separation of church and state.

—o—

Approval was given to trips to California institutions for teacher selection and if necessary to out of state institutions to locate teachers with satisfactory qualifications. The problem of obtaining 25 new and replacement teachers is serious in view of increased demand and short supply of competent teachers. Loss of many teachers to industry and the armed forces and the decreased enrollment in teacher training programs is continuing at an alarming rate.

—o—

The Board approved two books for the senior Social Problems course to replace an outdated poor written text "Problems Facing American Democracy" and "Personality, Marriage and Family Living".

—o—

The regulations for the Ralph N. Brown Project fund, to assist agricultural students with loans to finance the beginning of a project, was endorsed by the board.

Yellowtail Derby Tagged 'Lucky 7th'

The San Diego Junior Chamber of Commerce "Lucky Seventh" Yellowtail Derby will open April 4th and continue unabated through August 23rd. Qualifiers will then vie for several thousands of dollars worth of prizes in a 2-day "fish-off" August 29th and 30th, "Derby Days."

The theme of "Lucky Seventh" Yellowtail Derby is a "natural" for the entire family in the way of prizes. There will be trips to Las Vegas and Timberline Lodge, a television, deep freeze, mixmaster, vacuum sweeper, and even a pair of chinchillas plus many other prizes, to interest the ladies and youngsters. For "Dad" there's a new Buick or a Cris Craft and other prizes. In all there are over $11,000.00 in prizes.

More than 45,000 fishermen participated in 1952's Derby, and this year's "crop" of contestants will exceed 50,000.

Buzz Brown Guest Caller

The junior square dancing sessions at St. John of the Cross Auditorium are progressing pleasantly. At last week's meeting they elected their officers for this year. The President is Marie Reade; Vice-president, David Goddard and the Secretary, Pat Kenny.

Buzz Brown, popular young caller, will be the special guest caller at the February 24th session. Six squares participated in the last meeting and there is still time for new members to join before the group progresses too far for new comers.

The senior group of square dancers have chosen their name and shall hereafter be known as the "Dancin Dudes." They meet each Friday night.

Daily Flag Ceremony At Local Schools

At the Lemon Grove Intermediate School the huge building program now in progress has not been disrupting regular class activity. In fact, student activity has increased. This week the school student council initiated a morning flag ceremony which is to be a daily occurrence. At 8:50, while the flag is being raised by Louis Griggs and Robert Thompson of the 7-3 and 7-2 classes, respectively, Ronnie Mulder, of the 8-1 class, plays "To the Colors" on his trumpet, and after that all students in their classrooms salute the flag.

Wilson Gives TV To Deaf Kiddies

Lemon Grove should be proud of Joe Wilson, Wilson Television Service, 4101 Palm Ave. who donated a television set to the deaf children at the California School for Deaf, Riverside, California.

This special school has been in operation since Feb. 1st and is only partially completed, but is caring for 56 children, 6 to 11 years old.

Wilson recognized the advantages of television in education and entertainment and made the donation.

Mrs. Mason's Class Has Hobby Show

The 7-5 English class at the Lemon Grove Intermediate School sponsored a hobby show last week in Mrs. Mason's class. Those students who participated in the show included Donna Palmer, and Barbara Robinette, who displayed unusual salt and pepper shakers; Grace Pieterson, who collects storybook dolls; Carroll Roberts, shell collection; Bruce Martin, a medal collection; Hazel Martindale ,charms; Bernie Strong, shalls; Eleanor Chassy, gems; and John Cornelius, stamps.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN DIEGO.

No. 179018

IN THE MATTER OF THE DETERMINATION OF THE VALIDITY OF THE ASSESSMENT PROCEEDINGS AND CONTRACT FOR THE CONSTRUCTION OF SEWERS AND APPURTENANCES AND OTHERWISE IMPROVING A PORTION OF THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, DESIGNATED AS AREA NO. 7, PURSUANT TO THE RESOLUTION OF INTENTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO, CALIFORNIA, ADOPTED ON THE 21st DAY OF OCTOBER, 1952., ENTITLED "RE THE CONSTRUCTION OF SEWERS IN A PORTION OF THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, AREA NO. 7; RESOLUTION OF INTENTION", ADOPTED PURSUANT TO THE PROVISIONS OF THE IMPROVEMENT ACT OF 1911, AND AMENDMENTS THERETO.

Action brought in the Superior Court of the County of San Diego, and Petition filed in the Office of the Clerk of the Superior Court of said County.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ANY AND ALL PERSONS INTERESTED IN THE MATTER OF THE CONSTRUCION OF SEWERS AND APPURTENANCES AND OTHERWISE IMPROVING A PORTION OF THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, DESIGNATED AS AREA NO. 7, PURSUANT TO THE RESOLUTION OF INTENTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO, CALIFORNIA, ADOPTED ON THE 21st DAY OF OCTOBER, 1952, ENTITLED "RE THE CONSTRUCTION OF SEWERS IN A PORTION OF THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, AREA NO. 7; RESOLUTION OF INTENTION" ADOPTED PURSUANT TO THE PROVISIONS OF THE IMPROVEMENT ACT OF 1911, AND AMENDMENTS THERETO.

Defendants.

This action herein, is brought pursuant to the provisions of Chapter 10, Part 3 Division 7 of the Streets and Highways Code of the State of California, to determine the validity of the proceedings heretofore taken by the County of San Diego in the matter of the construction of sewers, manholes and appurtenances and otherwise improving of Palm Street, Washington Street, Golden Avenue, Lincoln Street, Adams Street, Dennis Lane, Jefferson Street, Citronella Street, Mt. Vernon Street, Imperial Avenue, and public rights of ways, all in the County of San Diego, State of California, as said improvements are more particularly described in the Resolution of Intention adopted by the Board of Supervisors of the County of San Diego on the 21st day of October, 1952, entitled, "RE THE CONSTRUCTION OF SEWERS IN A PORTION OF THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, AREA NO. 7; RESOLUTION OF INTENTION", and to determine the validity of the contract entered into pursuant to the said proceedings.

The boundaries of the assessment district, declared by the Resolution of Intention adopted by the Board of Supervisors of the County of San Diego on the 21st day of October, 1952, to be the district specially benefited by said work and improvements, and to be assessed to pay all of expenses thereof, are as follows:

Platoon Age Ends

Football next fall is going to take on a different look, all because the National Collegiate Athletic Association killed the two-platoon (free-substitution) which in turn killed football in some 50 small colleges. The new regulation will bring back the era of the all-around "iron-man" offensive and defensive performer . . . Ed Price has been given a new five-year contract as head football coach at the University of Texas, the southwest Conference champions of 1952 . . . Maureen (Little Mo) Connolly, the world's best woman tennis player, was named "athlete of the year" for 1952, the second successive time . . . Leroy (Satchel) Paige signed his 1953 contract with the Browns for a reported $20,000. Paige is probably the oldest player in big-league baseball, no one knows for sure but he is somewhere between 45 and 50.

ARE YOU ROCKETING?

I LIKE television and so do the kids around the house. But I'm not so certain about this new vocabulary it is giving to youngsters.

In my day is was radio and the operas. Now the vogue of "space operas" is giving the oldtime westerners a run for their money.

This new vocabulary of space cadets and adventurers sometimes startles me, especially when one of the boys is the source.

For instance, I told one of them the other day. "You are doing very well in school this year."

"Sure," says he, "I'm rocketing on all jets."

"Huh?" says I.

Then the other one pipes up. "He's full of space gas, Pop."

"Plug your jets," the first screams.

"Wait a minute, boys," says I. "Explain all this."

At length and impatiently they explained: 'Plug your jets' means stop talking or boasting. 'full of space gas' means he is mistaken.

"How do you say go away in television conversation?" I asked.

"Blast off," they said. "What else?"

"O. K.," says I. "BLAST OFF!"

Larkspur -- Understudy for Delphinium

For mass effect in Lemon Grove spring gardens, plant a bed of larkspur in some sunny situation that calls for a group of robust three foot citizens. Larkspur is one of the most prolific producers of the flower kingdom, and rewards you with a truly brilliant floral display in return for a minimum of effort.

According to the California Bedding Plant Advisory Board, now is the ideal time to set out your Larkspur plants from flats. They like to establish themselves in their new home while the weather is cool and they can throw down an ample root system.

If you have overlooked planting adequate delphinium clumps, you can still approximate the effect with a planting of larkspur. Use a flat of them for a fence-row planting, or for the rear portion of one of your wide sunny beds. You will have a wealth of beauty for your enjoyment. You also will have a good supply of cut flowers just in time for Memorial Day, and from then on well into summer.

While Larkspur resembles the delphinium in form, it offers a wider color selection of pure colors. However, those generally available are blue, lavender, rose, red, pink and white. Besides affording a wider selection of color, larkspur also demands less attention than its aristocratic cousin. In average garden soil, the plants require little fertilizing. If you water them in the evening, keep their foliage dry, otherwise they tend to mildew. It is best to flood them, with the hose laid at their roots, rather than sprinkling them.

In setting out your larkspur, space them approximately one foot apart as they need room for expansion. So long as they are planted in a sunny location, they are not at all choosy about the soil, and will provide you with lots of bloom for little effort.

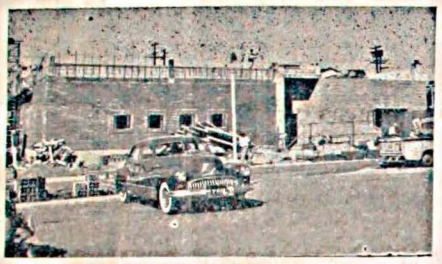
TELEPHONE BUILDING NEARING COMPLETION



Pacific Telephone's new one-story, $180,000 building addition to the central office at 8270 Lemon avenue in La Mesa is rapidly nearing its scheduled April completion.

Erected for the telephone company by the R. J. Daum Construction Company, the lateral addition will add 5,600 more square feet.

Manager S. S. Campbell said a half-milion dollar dial switching installation to provide new telephones for many of those now waiting for service here will be started when the addition is completed.

Power for Need

Lesson for November 2, 1952

THERE are various kinds of power, and this lesson is not about most of them. For example there is mechanical power, and atomic power, and electrical power. There is armed force exerted by a nation, and there are all the forces of nature. We are not concerned directly with any of these. We will think not of one particular kind of power, but of any kind which is personally controlled and used, the power that every one has. Practically all human beings exert some kind of power. It may be the power of influence; it may be based on money; it may be political or social; it may be power to command, such as is held by sea-captains and labor bosses and office managers. The reader is invited to reflect on his own situation and concentrate his mind on whatever power, be it ever so small, which he himself exercises or can exercise when he pleases. Very few persons are complete Zeros.

Purposes of Prayer

Is it wrong, that is to say, unChristian, to wish to be strong? Of course not. There is surely no virtue in weakness. To wish to be weak, or to be content with weakness, is no sign of a Christian. It depends on the motive behind the desire. Now power can be had, or wished for, for various reasons, bad and good. Some people like to be strong just to show off. A boy goes around bending his arm and showing the other boys what big muscles he has, just bragging. That may be all right for a boy (though the boaster is pretty sure to be thrown sooner or later). But when a grown man does the same thing he is just being childish. However, this is harmless compared with another common misuse of power; that is, using it to build up more power. We can see it in politicians who hold on to important positions even though they could be more useful in private life and though a dozen other men could do their job quite well as they can. We can see it even in the church, where some men like to get on and stay on important committees because then they can "crack the whip" over their brethren. Worst and meanest of all mis-uses of power is using it to hurt and crush others. We can see examples of this on the national scale, all through history. It scales all the way down to the blackmailer, who uses some bit of scandal that he knows about to ruin the lives of perhaps much better men.

Jesus and His Power

Now Christians have always before them an example of tremendous power, gently and generously used. Readers of this column will be divided into two classes. Some will take the stories of Jesus' miracles quite litterally. Others will suppose that some of these stories may have been exaggerations of loyal memory. Let those who are skeptical about the miracle-stories give a thought to this: Even granting, for the sake of the argument, that every one of these miracle-stories is a "made-up" one; they surely would never have been invented about a **weak** man; and they never would have been told about a **selfish** one. The historians who are most full of doubts about Jesus agree and admit that he was a man of extraordinary power. And even if you thought (as this writer does not) that most of the tales of Jesus were wonder-tales and no more, the fact remains that these tales, every one of them, shows a Jesus who never uses power to show off, never uses it "just because," and seven times never uses it to hurt any one.

Power for Need

Jesus gives us the right Christian line. "As he is, so are we in this world," said one of his friends. Power is given us, as all the gifts of life are, for use in the name of God and the help of man. Whatever power we have, we possess as stewards. It makes no difference how obscure we may be, every one of us has some degree of power, of some kind. It may be a mother with her children, a teacher with his pupils, an older child with younger children, a business man with many employees, a judge on the bench or an officer in a 4-H club—if our decisions affect the life of even one other person, then God will ask us: Did your power hurt others, or help?

Schools Spend Your Money! What Are The Controls?

As our community grows, various institutions that make up a community expand in size. Because of the larger and larger amounts of money which are spent by the public schools due to steadily increasing enrollments, the question is often raised as to what controls exist on the expenditure of these school funds.

All such expenditures are controlled through a detailed budget that is carefully planned each spring for the following school year. After study and revisions over a period of months, the budget is approved by the Board of Trustees. Then after it gets the approval of the county and superintendent of schools, it is published in the Lemon Grove Review. A public hearing, publicized in the same paper, is held before final approval of the budget is made and it becomes a legal control. This budget in detail contains an itemized account of all income and expenditures in the various classifications such as administration, instruction, operation, maintenance, capital outlay, etc.

At each meeting of the Board throughout the year, they are presented with a list of purchase orders for the coming month. At the following board meeting, warrants are drawn for payment of these purchases. Each has carefully been checked for accuracy.

These warrants, or checks, are then sent to the office of the county superintendent for further auditing. In cases where the legality of any purchase is questioned, that item is referred to the county counsel for his legal opinion. Warrants clearing the county superintendent's office are sent to the county auditor who gives the purchase a final scrutiny. When it is found legal and ready for payment, the county treasurer makes the payment from school district funds.

Each year a complete audit of all school funds and business procedures is made by the field auditing services of the county superintendent's office, and the Board of Trustees is given a complete and report which contains recommendations for the improvement of business services.

Although all funds are budgeted in the spring, it is required by law that the Board approve each expenditure, whether small or large. Thus every business transaction throughout the year is subject to a series of checks beginning with the local trustees and including checks by the county superintendent and auditor. In addition to these checks many purchases are doubly checked by county counsel, and, in some cases, purchases require approval of the County Board of Education before they may be made.

"Lemon Grove Hi-Y"

Robert Turnbull

At last!!! Those were the words that were spoken at our latest Hi-Y meeting, by our members. We have tried, vainly, to get Coach Jack Mashin, of Grossmont, to give a talk and to show the films that he took of the Olympics last year at Helsinki. And we finally succeeded. Wednesday night, February 11, we had our meeting, and saw two films. One on the opening ceremonies, the other on the events itself. Both of these were in color, and we even saw such s'ars, up close, like Bob Mathias, Decatalon Champ; Emil Zatopek, our' long-winded runner from Czechoslovakia, and Chuck Davis, Bouncing boy over the bar from Texas. Last Saturday nite at the 'Y', Feb. 7, we played Olympia in a basketball game, and lost, and that automatically put us out of the tournament. But we're trying to help another Hi-Y from Helix, Vista La Mesa, on the right.

Abraham Lincoln public commented on the fact that fai draw people together and gi them a deeper understandi democracy.

it was 28-4, our favor. Also Mon day nite, Feb. 9, we went dow to the 'Y' and had 45 minutes swam, lifted weights, and had good congenial workout. If the are any Helix High school st dents interested in joining t club, just call me at H6-6182
